Ministry Progress

What a fantastic time to witness what God is doing through His people! We have been praying, planning, and saving for the past three years, and construction has begun on the Oak Hammock, the large multipurpose assembly building!! Have you had a chance to join us yet? Inflation has increased the cost and more partners are needed! God's plans and provisions are always beyond our imagination; we will be faithful in this journey.

As we turn the corner to the new year, we anticipate a significant impact for Christ through opportunities to experience His Creation and hear God's direction for life change. 🔥

Praise/Prayers

- Praise - Dirt is moving and area is being cleared as site work begins on Oak Hammock!
- Praise - We welcome the return of Laken Upchurch assisting us part time in Food Service! A big help to Liz!
- Prayer - For the planning and development of our adult retreats this spring by our volunteer committees.
