Lake Aurora Christian Camp

First Century and Twenty-first Century Division...

We are seeing--in the Church, on social media, and pretty much wherever Christians are interacting--division that looks very similar to the kind of division that existed in the first century at the Church in Corinth.

Within the context of the division amongst the Christians in Corinth, the Apostle Paul painted a picture of what true love looks like by laying out sixteen ways to love better.

"If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal."
1 Corinthians 13:1 NIV

Our theme for 2024: Love Better, is a modern explanation of what Paul is communicating in 1st Corinthians 13 as, not a wedding passage, but a powerful explanation of how we are supposed to love each other and our communities better.

Men's Retreat 2024 is pleased to feature Arron Chambers as our keynote speaker. Arron will be challenging us to evaluate our lives in light of what it looks like to love better.

Our prayer is that through our keynote sessions, workshops, worship, and activities, you will come away refreshed and renewed as well as equipped to love better in your spheres of influence.

May we never be a "gong or a clanging cymbal."

KEYNOTE SPEAKER:

Arron Chambers
Journey Christian,
Greeley, Colorado

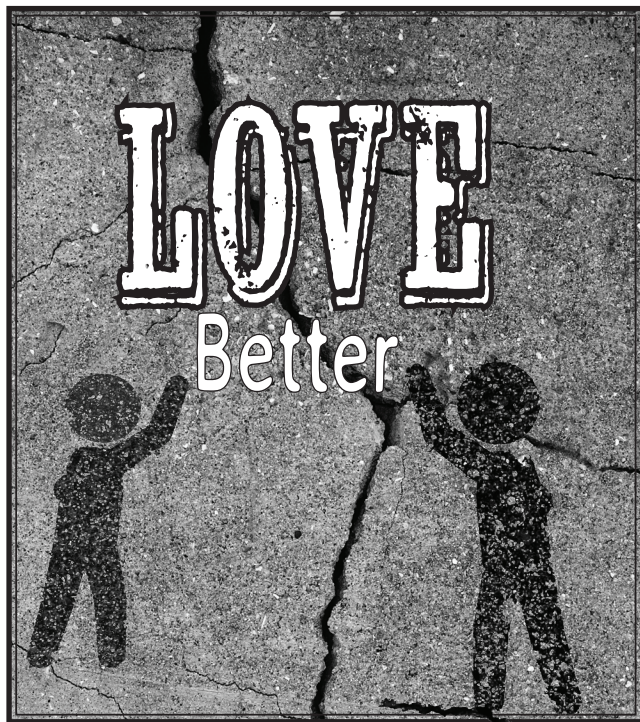

It is an honor to welcome back Arron Chambers as he helps us recapture the power of one of the most misapplied scriptures in the Bible!

Over the past 20 plus years, Arron has spoken across America to thousands. He is a challenger, confronter, and encourager to the masses.

Arron loves to communicate the gospel through writing and speaking! He is the Lead Minister of Journey Christian Church in Greeley, Colorado, Author, Husband, Father of Four, Evangelism Champion, Leadership Consultant, Marriage Coach, and Blogger.

He has been the keynote speaker on both the state and national level. Conferences and conventions include CIY Move, Summer in the Son, Nationwide Youth Roundup, Milligan University, Johnson University FL, and State Conventions for Florida, Illinois, Indiana, Mississippi, Pennsylvania, and many more.

Arron may live and minister in Colorado, but he was a Floridian first. Growing up in Florida, attending Lake Aurora camp and graduate of Florida (now Johnson University) Christian College, Arron is one of our own. We are honored to have to have him back. He calls Lake Aurora "one of my all-time favorite places."
