Is there anyone you would like to honor, remember, or bless?

Buy a brick.....

Engrave a memory!

"As you come to him, the living Stone – rejected by men but chosen by God and precious to him –you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ."

1 Peter 2: 4-5 NIV

Present someone you care about with a "Gift Certificate" informing them that your sentiments are etched in a brick at Lake Aurora.

The cost of this unique and distinctive gift is only \$100.

Your message will be engraved on a brick and placed in the "Memory Walk" on the south and west sides of the Redmon Ministry Center.

Have you ever heard someone say, "It's not written in stone!"?

The phrase means, "something's not permanent."

At Lake Aurora there are a few things that are "in stone". Campers from the 1960's and 70's left their mark in the personal-paver stones that now create a walkway in front of the "flower" dorms. They have hardened from time and exposure and serve as reminders of why the camp exists. These written notes of teenagers are testaments of those that have been personally impacted by the ministry of Lake Aurora. Each name etched in the stone walkway reminds us that common people have come in contact with an uncommon God in this holy place and their lives will never be the same. It's in stone; it's a permanent testimony!

Today you can continue this tradition and create a lasting impression in a unique walkway located around the Redmon Ministry Center. Purchase an engraved brick to bear the name of a loved one, a child who attended camp, or in honor of your church. Use a brick to commemorate a baptism, birthday, anniversary, graduation, or marriage.

The list of occasions to celebrate is limitless!

Please PRINT or TYPE exactly as you want your brick to be printed. You may use up to 14 characters per line with a maximum of 3 lines.

Cost of each brick is \$100

I am requesting a "gift certificate" to present to the one being honored.

Brick #1

Three horizontal dashed lines for engraving text on the first brick.

Brick #2

Three horizontal dashed lines for engraving text on the second brick.
