## Ministry Progress

February is a month to let those we care about know how much we love them! Our partners are those people! Thank you!

The campus is undergoing significant changes as we remove five acres of orange grove and plant native pines and oaks in their place. The Oak Hammock building is starting to take shape as the foundation is being formed and poured. The metal sides are due this month.

Our partners are more critical than ever as volunteers, prayer warriors, donors, and participants! Join us! 🙏

## Praise/Prayers

- \* Praise - Foundation of the Oak Hammock Assembly building is being formed up!
- \* Prayers - For recruitment of volunteer directors, counselors, and nurses for summer programs.
- \* Prayers - For adult spring retreats planning and participation.

## "My Story"... from our friends

A 2023 participant writes...  
"I was really grateful for the time I got to spend focusing on my relationship with God. The camp is so beautiful and activities really fun." 8th Grader
