Building a healthy life...

What do you need more of in your life? Exercise; time; money; help; patience; peace, love and respect? Chances are, it's more than one thing. But I feel confident in saying that you and I could all use more Jesus in our lives and relationships, couldn't we?

At the 2025 Men's Retreat that will be our focused theme. Nate Bush will be challenging us to add more of Jesus to every area of our life. In a world where we are used to

"And Jesus grew in wisdom and stature, and in favor with God and man."

Luke 2:52 NIV

much excess in many areas, we often seem to neglect adding more of Jesus' to our own experiences and that causes us to struggle spiritually.

Our goal is that through our keynote sessions, workshops, worship, and activities, you will come away refreshed and renewed as well as equipped to include more of Jesus into your life and spheres of influence.

KEYNOTE SPEAKER:

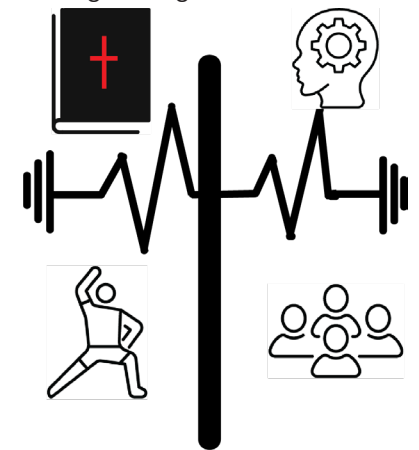

Nate Bush

New City Church,
Albuquerque, NM

It is an honor to introduce Nate Bush as the keynote speaker for our 2025 Men's Retreat. He is a life-long student of God's Word and seeks to be an ordinary, everyday missionary to his community.

Nate is not a stranger to Florida. He is a graduate of Florida Christian College and served in south Florida churches before becoming the lead pastor of New City Church in Albuquerque, NM. In 2010 New City was born out of family prayer time in Nate's living room and is now a flourishing congregation of imperfect people being courageous, believing in the power of Jesus to make all things new. Nate has passionately worked toward building a church that makes a renewal impact in Albuquerque.

Nate is married to his wife of 22 years and has three children growing into adulthood.
