Ministry Progress

There is no more beautiful season than the one where we take a moment to reflect and give thanks to Whom our blessings come. The Pilgrims did not have it easy, but they were thankful for what they had and shared generously. As a ministry, we are not at this place without God's hand and without the work, sacrifice, and prayers of those who have poured into this camp's participants and facility. We are grateful for those in our past, present, and those to come. May God always be glorified and honored in all things. Happy Thanksgiving! 🍂

Praise/Prayers

- ☐ Praise - A temporary Certificate of Occupancy for the Oak Hammock to facilitate a large group on campus November 1. Some interior items still to complete.
- ☐ Prayer - For guidance, wisdom, and funding to secure part or all of the 74 acres of abandoned grove across from the camp that has access to the lake through our property.

"Most fabulous place for making memories and seeing God's love and grace at work! Hard working, loving and kind staff. No doubt you leave always craving more of camp year-round."
